Maternity Care at Piedmont Atlanta

**Piedmont Atlanta is a Level III designated NICU facility*

From the day you learn that your family is growing to the moment you leave for home with your new baby, our expertise and multi-disciplinary team approach provides specialized, compassionate care. With our conveniently located facility, designed for your comfort, and our amazing staff dedicated to personalized care, Piedmont Atlanta is committed to ensuring this momentous occasion will be unforgettable and uniquely yours!

Experience family-centered care designed for you, with access to:

- A multi-disciplinary team specializing in maternity and newborn care
- Private, well-appointed rooms throughout triage, labor, birth and family care
- Facilities, equipment and trained staff to support you in labor as available and medically appropriate, including tubs and showers for hydrotherapy, portable/wireless fetal monitor to support ambulation, adjustable room temperature and lighting, peanut & standard birthing balls, mats, mirrors, squat bars, etc.
- Level III Neonatal Intensive Care Unit (NICU)
- Rooming-In care with an available holding nursery

Click the second pre-register option for Maternity/Mason Clinic services.

Preparing For Your Visit

We understand that preparing for your visit can be stressful, and our pre-registration tool makes the process hassle-free. Our online pre-registration process takes just 10-15 minutes and provides information on financial responsibilities, insurance coverage and possible advance payment requirements.

We've also added our Pricing Estimation tool, which helps you better understand your costs as you prepare for your visit.

Pre-Register with MyChart for Hospital Services

Pre-registration is required for all appointments. Patients can pre-register using MyChart's eCheck-in function, or by calling the Patient Connection Center at 1-855-537-0506.

Start Pre-Registration

Pre-Register for Maternity Services and Mason Clinic

Pre-registration is required for all appointments. Maternity & Mason Clinic Patients can pre-register for hospital appointments by using the registration portal or by calling the Patient Connection Center at 1-855-537-0506.

Start Pre-Registration

Welcome to Piedmont Healthcare. you schedule an appointment!

Clicking the maternity button sends you here:

<https://phcapps.piedmont.org/preadmit/>

You can use the direct link above if registration is all you would like to do rather than navigate through other Piedmont Resources (tours, classes) & general maternity info.

Then click on the second option on the left “Piedmont Atlanta Hospital” and the first option on the right “Maternity Pre-Registration” and it will get you to this page (below) to start to fill:

*** You MUST pre-register asap, ideally the day you are here for your glucose challenge. ***

To successfully register, you will need basic information including social security numbers, your doctor’s office information, basic insurance & employer information for both you and your spouse as well as due date. You cannot hold or back out of the site or you’ll have to start over so best to have all of this information accessible.

Please let us know if you are having trouble with the form, if there is any way we can help or supply you the information you need. Thank you!
