Wellington Pediatrics' COVID-19

We are all aware that COVID-19 or Novel Coronavirus is a Pandemic. In order to decrease the spread and limit exposure, we are implementing the following measures in our office. Patients and family should feel comfortable coming to see us.

1. Patient's with fever and cough and known travel to high risk areas like Europe, China, Japan, Korea, Iran, NYC and Washington State should stay home. Call us and we can call the Health Department to see if testing is needed or direct you to call drive through testing center.
2. We will be separating our well child visits and sick visits. Well appointments will be in the AM hours and sick visits will be in the PM hours.
3. In order to decrease waiting room clutter, Patients are instructed to text us at 561-635-4133 when they arrive at our building to be told when to come up to our office.
4. When you arrive at our office, please wash hands in the common hallway bathroom prior to entering our waiting room. We also have sanitizers once in the office.
5. We are limiting mobility of children in the office, so please do not allow them to run around inside. Staff will hand out lollipops and stickers after visits.
6. Please, if possible, leave strollers and car seats in your car to limit infection spread.
7. Please limit the number of people that come to the office with our patients. **Please only one healthy parent or care giver and no siblings if possible .**

Stay safe and remember proper hand washing and not touching face, eyes, nose and mouth with hands. Make sure you cover your mouth when coughing or sneezing and wipe down high use surfaces. Social distancing is extremely important. Follow CDC and Department of Health guidelines www.cdc.gov.nCOV www.healthychildren.org Florida department of health Hotline 1-866-779-6121.

Thanks for being patient, stay safe.

Dr. Bruck, Dr. Aqua and Staff
