

Levin's Women's Health helps you 'look and feel marvelous'

BY BARI AUERBACH

At Levin's Women's Health & Wellness Center, you'll see women with babies on the way – or who want to start families... Women coming for routine screenings – or advanced ultrasounds... Women having in-office cosmetic procedures on their lunch breaks – and women of all ages discovering how to “look and feel marvelous” every day, for life!

Founded by Dr. Daniel Levin, board-certified by the American College of Obstetrics and Gynecologists, Levin's Women's Health exemplifies the trend towards offering women a modern, holistic approach to health and wellness. Conveniently located in North Miami, the Center's wide array of services range from obstetrics, gynecology and fertility – to cosmetic procedures, wellness products and consulting.

Dr. Levin along with multi-lingual, friendly staff members are dedicated to setting the highest standards of care: “We understand every woman is an individual with her own unique needs and strive to provide personalized health care you can count on, while ensuring you understand every step of your treatment plan and what to expect.”

Originally from Israel, Dr. Levin was raised in a family of medical doctors including his father, an
