EMPLOYEE CARE PLAN INFO 03/16/2018 jl

EMC is dedicated to providing fast, courteous, and professional care for your biggest asset... your employees. We are a small business and we want to help other small business owners.

We developed our Employee Care Plan for those without health insurance for employees, for those who prefer to not file small Workers' Comp claims, or for those who simply want to save money.

+Save Time

Paperwork is minimal. The typical patient wait time is less than 10 minutes.

+Save Money

The EMC Employee Care Plan is affordable. With this plan, a visit to EMC will be a fraction of the cost of an ER visit and less than typical urgent care charges. The discounted charge to be evaluated is \$90 and other services are also at discounted rates.

+Services offered

- Flu, Hepatitis B, Tetanus, and other vaccines
- \$25 pre-employment drug screens (some employers also request drug screens for all injuries).
- On-site X-ray and lab
- IM antibiotics
- Tuberculosis screening
- Post needlestick occupational exposure evaluation and testing
- Work-Related lacerations and other injuries/Workers' Comp (patients will only be seen for the initial visit).

If going through Workers' Comp insurance, visit will be billed at our usual rates. If not going through Workers' Comp, our discounted rate will be billed directly to your company.

- Please call our Medical Director, Dr. Genco, with any questions or requests.

+Getting Started – Setting up an Employee Care Plan is easy

- 1) Fill out the one page – EMPLOYEE CARE PLAN REGISTRATION – Fax, mail, e-mail, or drop off at EMC.
- 2) Keep our contact info accessible. When an employee requires medical care, send your employee with a completed AUTHORIZATION FORM – EMPLOYEE CARE PLAN or call EMC to provide the same information. Let us know if you prefer to pay on the date of service or to be invoiced.

If you prefer we bill Workers' Comp, please provide us with: contact information for your Workers' Comp insurance company, your office representative, your billing address, and claim number if available.
