

NEW PRODUCT AT REDNECK **SAME GREAT SERVICE**

Announcing the NEW Chrome Hub Cover

- Chrome hub cover for 8K-10K axles, 5/8" studs
- No other hub cover exists for this application
- Use on 17.5" single wheel or 16" dual wheels
- Fits over BOTH flanged wheel nuts and clamp ring/cone nut wheel attachment methods
- Pop-out center allows for oil fill level check in hub without complete hub cover removal
- Completely covers wheel attachment hardware for protection from the elements
