FINANCIAL ARRANGEMENTS

We realize that every person's financial situation is special. Because of this we have worked hard to provide a variety of payment options to help you receive the dental care you need to enjoy a healthy, confident and pleasing smile.

DENTAL INSURANCE

We will be happy to file your insurance forms to insure that you receive the full benefits of our coverage. Your insurance company policy is an agreement between you and your insurance company, therefore, we can make no guarantee of any estimated coverage. We ask that all patients be directly responsible for all charges. Please know that we will do everything possible to see that you receive the full benefits of your policy. However, if for some reason your insurance company has not paid their portion within 60 days from the date of treatment, you will be responsible for payment at that time.

PAYMENT OPTIONS

Cash or Check

Payment in full and you will receive a 5% reduction on professional fees.

Credit Cards

For your convenience we accept payment by Master Card, Visa, Discover and American Express

Interest Free Financing

For patients who desire a payment plan, we have made special arrangements with Personal Finance Company. There are no application fees, no down payment is necessary and the loan is interest free on contracts for 6 months. Applications are available from our business office and approval is provided very quickly. 10% interest will be incurred on 12 month contracts.

I understand that I am responsible for all charges incurred and that a \$3.00 monthly billing fee will be assessed on accounts over 60 days. I agree to pay any collection fees or attorney expenses should it be necessary to refer this account to an outside collection agency. I understand that any unpaid accounts will be reported to the credit bureau.
