

TeleVisit by Dr. Nazeri

Dr. Nazeri is now offering TeleVisit to his New and established patients

We are pleased to announce that Dr. Nazeri is providing the easy-to-use, accessible benefits of **TeleVisit** to all of our patients. The patients who are at high risk of complications from the virus that causes the COVID-19 infection may consider using this option instead of the usual in-person office visit.

A **TeleVisit** is a virtual one-on-one office visit through the phone or video conferencing with Dr. Nazeri. 'Virtual' (Tele) meaning that it takes place over an internet connection through a computer or cell phone.

You can call our office to learn more and schedule a new **TeleVisit** appointment or change your current office visit to a **TeleVist**.
