## SOLACE 210®

\$7,900

The world's first medical grade, portable hyperbaric chamber. With a 21" diameter, this chamber is the lightest, most affordable and practical model.

*Frame included. Mattress optional. \$300*

1.3 ATA

## RESPIRO 270®

\$13,900

Combining functionality and comfort with a 27" diametric design to provide patients with increased freedom of movement, yet small enough to fit into any room.

*Frame included. Mattress optional. \$300*

1.3 ATA

## VITAERIS 320®

\$21,900

One of our largest portable models that serves as our flagship chamber. The Vitaeris320 is the most popular and prolific chamber worldwide among physicians, celebrities, athletes and families. The sizable 32" diameter allows for complete freedom of movement and provides enough room for for two patients to treat simultaneously.

1.3 ATA

## QUAMVIS 320®

\$25,900

Our newest and most innovative design has awarded this chamber model the most secure, soft-sided chamber within the global market. A spacious 32" diameter and exterior frame concept provides a large, non-obstructive interior and unique support system for patients to enter/exit the chamber with ease.

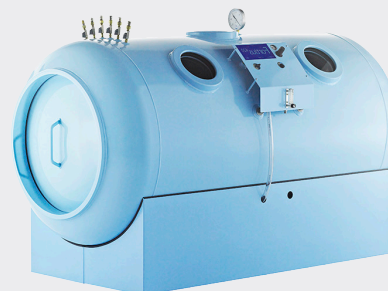

1.3 ATA

## FORTIUS 420®

\$89,900

Our largest and most versatile chamber as physicians and patients have the capability to treat up to 3 ATA operating pressure. This chamber boasts a considerable 42" diameter and is designed to be easily installed into any clinic or home. Capable of delivering 100% oxygen directly to patients.

3.0 ATA
